Enrollment Options (select only one of the following options)

100% Option

Purchase renewable energy certificates (RECs) equal to 100% of your member account's monthly electricity use for an additional charge of \$5.00 per MWh (i.e. one-half cent per kWh). The additional charge will be added to the member account's monthly electricity bill.

Block Option

Purchase blocks of renewable energy certificates (RECs) in any \$2 fixed increment. Each block represents 400 kWh of electricity which reflects a rate of \$5.00 per MWh (i.e. one-half cent per kWh). The additional charge will be added to the member account's monthly bill.

Enter the number of \$2 blocks you wish to purchase below. Alternatively, enter the number of MWhs of renewable energy you wish to support.

Number of Blocks (per month)	OR	Number of MWhs (per month)*

**Dominion may round up to the nearest \$2 increment*

First month charge for Block and 100% Options is prorated. There is no penalty to cancel or change enrollment.

Thank you for making a commitment to renewable energy through Dominion Green Power.
